Sir,

Re Disposal of Old Scavengers' quarters at Saklespur

I have the honour to state that the Municipal President of Saklespur has reported that a row of three quarters for the scavengers were constructed in the old Santhveeri by the Municipality at a cost of Rs 1428/-, that due to the extension of the Town houses have come up round about these quarters, that these quarters have become a nuisance to the neighbours and that the Council have therefore resolved at their meeting held on 28-11-43 to dispose of the present quarters and to construct new quarters near the A K Colony It is stated that a sum of Rs 1000/- is expected to be realised by the disposal of these old quarters

An estimate for the construction of new quarters for Rs 5000/- as scrutinised by the Executive Engineer has been sent to the Sanitary Engineer for approval The Government have also sanctioned a grant during the current year for this purpose in their order No L 10787-90/ml 69-44-35, dated 30-4-45
